# Upcoming .....

Date: Tuesday, April 14th, 2020 - Time: 5PM EDT

Topic: **Mitigating Supply Chain Risk in a Crisis** – Hear how the City of San Diego mitigated risks during the Forest Fires crisis and gain tips for sourcing and vetting new suppliers in an emergency situation as you navigate and build your own strategies.

Speakers:

Chris Penny, CEO, Kinetic GPO

Tammy Rimes, Executive Director National Co-Operative Procurement Partners, and former purchasing executive with the City of San Diego.

---

Date: Tuesday, April 21<sup>st</sup>, 2020 - Time: 5PM EDT

Topic: **Increased Cyber-Risk and Privacy Concerns from COVID19** - Our experts, Debby-Shapero Propp and Anita Fineberg will share insights into Cybersecurity Breaches and Scams that have come up from COVID19. They will explore the increased risks and privacy concerns associated with employees working from home, as well as insights about Alerts, and best practices to mitigate the risks.

Speakers:

Debby Shapero-Propp - Barrister and Solicitor, Debby Shapero Propp Law Office, CSCMP and Supply Chain Canada, Ontario Institute – Lead Instructor

Anita Fineberg is a sole practitioner and consultant in Toronto specializing in the areas of privacy, access to information, data security and information management.
